SUMMER FOOD SERVICE PROGRAM

Groton's Summer Food Service Program will begin on June 25th and run through August 24th. This program provides nutritious summer meals to young adults and children ages 18 years and younger, making up for the meals provided during the school year. This program is free and open to the public. There are 16 sites available for both breakfast and lunch, Monday through Friday. These various sites allow children in the City and Town easy access to a location close to their home or at a summer recreation program. Please see Attachment 1 for a listing of sites and the times meals are provided.
